ANNEXURE-I

(Annexure to G.O.Rt.No.462, PR&RD (Vig.I) Department, dt:03.03.2014)

STATEMENT SHOWING THE ARTICLE OF CHARGES FRAMED AGAINST SRI J.BASHEER MIYA, THE THEN ASSISTANT ENGINEER, RWS&S.

CHARGE-1:

That Sri J.Basheer Miya, the then Assistant Engineer, RWS&S has prepared the working estimate for changing of pipes i.e. GRP in place of DI for pumping main and GRP for higher diameter pipes and class, without conducting soil verification and recorded check measured 600mm dia-15 bar GRP pumping main without specifications for the work CPWS Scheme to Gadwal Constituency.

BASIS:

As per the V&E report No.79 (783/V&E/E2/2012, dated:16.07.2012) and C.E., Vigilance and Quality Control report, Sri J.Basheer Miya, the then Assistant Engineer, RWS&S has prepared the working estimate for change of types of pipes i.e. GRp in place of DI for pumping main and GRP for higher diameter pipes and class, without conducting soil verification and he also recorded check measurement for 600mm dia-15 bar GRP pipes which were laid in rocky terrain from clear water sump to maxim Gutta without following the specifications i.e. proper alignment and sand cushion and encasement. This has resulted in leakages in the pipe line and the field staff did not conduct hydraulic test for every 500m interval, for the work CPWS Scheme to Gadwal Constituency, due to which pumping main has failed. From this it is evident that it clearly shows that Sri J.Basheer Miya, the then Assistant Engineer, RWS&S has discharged his legitimate duties with gross negligence and violated Rule 3 of APCS (Conduct) Rules, 1964.

Hence the charge.
